How we operate

Mimosa thrives through a combination of community engagement and creative fundraising events:

Community Support

Mimosa's success is built upon the generous donations and support of individuals and businesses across our community.

Their contributions are the foundation of our efforts to make a difference in the fight against cancer in our region.

Fundraising Events

Through the organisation of engaging events such as clothing sales, coffee mornings, sporting challenges, gala balls and educational events, we not only raise vital funds but also build awareness about cancer and promote healthier lifestyles that help prevent it. These events bring our community together in a shared spirit of giving back.

What we do

Mimosa organises a variety of fundraising and awareness events that bring people together in the spirit of hope and action. For example:

- The Mimosa Ball: Our flagship gala event.
- Community Events: Nearly-new clothing sales, coffee mornings and sporting challenges.
- Mini Mimosa: Family-friendly events fun run events.

Every event raises funds, builds connections and provides essential support and care for those affected by cancer in this region.

Give Back, Get Back:

We are excited to share that Mimosa has been granted the status of general interest, **enabling French resident taxpayers to claim 66% of pure donations as a tax deduction** (60% for companies). This milestone boosts our fundraising potential and encourages greater generosity, allowing us to expand our support for those affected by cancer.
